

Hello Veteran,

Recently, we invited you to complete a survey. The Supportive Service for Veteran Families (SSVF) Participant Satisfaction Survey is administered to all Veterans who have enrolled in and received SSVF services. Your responses will be used to better understand and improve the program.

An independent contractor, Fors Marsh Group has been selected to administer the survey on behalf of VA's SSVF Program and to make certain your responses will be confidential. The VA will not receive information that will allow you to be identified or affect the services you are provided.

This is the last time you will be contacted. Please take a moment and complete the survey as soon as possible. You can complete this survey on any desktop or mobile device by accessing your unique link below:
